Community Engagement

This month PC's Haddow and Lowe have been concentrating on carrying out local visits, in particular they attended Falkland House School, Falkland and met with two teenagers who are bright and enthusiastic showing a keen interest in joining the Police at some point in their future. They were provided with advice regarding their future career and what is involved in local policing and we look forward to working with them in the future.

As part of their roles PC's Lowe and Haddow carry out Firearms enquiries which consists of visiting certificate holders, carrying out inspections of certificate holder's weapons and the property where they are stored, ensuring the correct security is in place and compiling reports for the purpose of granting and renewing certificates.

Whilst carrying out a routine enquiry PC's Lowe and Haddow seized 7 air weapons from the property of a certificate holder who was breaching his conditions.
