

September 2022 Howe of Fife & Taycoast Community Council Report

Introduction

Welcome to September's Howe of Fife Community Council Report from your local officers, PC Mark Lowe and PC Kirstie Haddow.

Officers are continuing their appeal for members of the community to participate in the Community Speed Watch Campaign.

We understand that speeding vehicles in your area is a high priority and an obvious concern. To assist us in combatting this very important issue we would appreciate any willing volunteers for this campaign.

Community Speed Watch involves local resident volunteers being deployed on our roads with speed detection devices to provide a visible presence to deter and identify speeding motorists in hot spot areas.

Any willing volunteers will be vetted and receive full training from your local community officers on using the Speed Detection Device and Conflict Management prior to deployment.

We currently have six willing volunteers going through the vetting process and are desperately seeking others to join them.

If you require any further information with regards to this campaign, or would like to be considered as a volunteer then please contact us at the e-mail address listed below.

Recent Events

This month Community Officers alongside their colleagues were deployed at short notice following the sad passing of Her Majesty The Queen taking on the important role of ensuring the close bond between Her Majesty and our communities could be expressed safely and with dignity.

Her Majesty The Queen's love for and dedication to Scotland were evident throughout her long reign and reflected in memorial events and services following her death.

In turn, affection and respect for Her Majesty was vividly demonstrated right across Scotland and the United Kingdom.

Officers were very proud to experience a moment in world history, resonating with billions of people – the end of an era.

OFFICIAL

Between 29th September and 2nd October 2022 Officers were deployed to assist with the prestigious Alfred Dunhill Links Championship working at both Kingsbarn's and the iconic Old Course, St Andrew's. This was an excellent opportunity for officers to interact with the local communities whilst walking/cycling the courses.

Officers attended Freuchie Cubs Group where they assisted them in gaining their Personal Safety Badge by providing information on various topics including being stranger aware and keeping safe on line. This was a very worthwhile visit allowing officers to engage with the children and children to build their relationship with the Police.
