Recent Events

This month PC's Lowe and Haddow have attended Gateside Community Council meeting which provided them with a better insight into a number of local issues. Officers have since heightened their patrols of this area and met up with community council members providing advice as how best to tackle the situation.

Officers are aware that there have been recent parking issues reported at the Dryside area and have been carrying out spot checks to ensure that motorists are complying with the regulations. There have been no issues when officers have been in this area, however will continue to monitor this.

Coffee with Cops

This month PC's Haddow and Lowe attended and received a warm welcome from local residents at Kettle Memorial Hall, Kingskettle Coffee morning.

This is something the officers would like to extend to other areas who would be willing to host in an effort to improve community engagement and give residents the opportunity to meet and greet the local community officers.
