

October 2022 Howe of Fife & Taycoast Community Council Report

Introduction

Welcome to October's Howe of Fife Community Council Report from your local officers, PC Mark Lowe and PC Kirstie Haddow.

Officers are continuing their appeal for members of the community to participate in the Community Speed Watch Campaign.

We understand that speeding vehicles in your area is a high priority and an obvious concern. To assist us in combatting this very important issue we would appreciate any willing volunteers for this campaign.

Community Speed Watch involves local resident volunteers being deployed on our roads with speed detection devices to provide a visible presence to deter and identify speeding motorists in hot spot areas.

Any willing volunteers will be vetted and receive full training from your local community officers on using the Speed Detection Device and Conflict Management prior to deployment.

We currently have six willing volunteers going through the vetting process and are desperately seeking others to join them.

If you require any further information with regards to this campaign, or would like to be considered as a volunteer then please contact us at the e-mail address listed below.
