

## November 2022 Howe of Fife & Taycoast Community Council Report

### Introduction

Welcome to November's Howe of Fife Community Council Report from your local officers, PC Mark Lowe and PC Kirstie Haddow.

### YOUR COMMUNITY NEEDS YOU!

Officers are continuing their appeal for members of the community to participate in the Community Speed Watch Campaign.

We would like to thank the volunteers that have already come forward and would like to encourage anyone else interested to make contact with us. Vetting is ongoing for the current candidates with the intention of this campaign being up and running in the spring time of 2023.

Community Speed Watch involves local resident volunteers being deployed on our roads with speed detection devices to provide a visible presence to deter and identify speeding motorists in hot spot areas.

If you require any further information with regards to this campaign, or would like to be considered as a volunteer then please contact us at the e-mail address listed below.

## Recent Events

During November your Community Officers attended Toasty Tuesday in Gateside Memorial Hall and The Café Club in the Tayside Institute Community Centre, Newburgh these are events organised to provide members of the local community with a safe, warm and welcoming place to go and share a cuppa and a chat. This provided officers with the ideal opportunity to engage with some of the community and assist with any queries regarding local policing they may have.

We appreciate that we are not always available to attend the individual Community Council Meetings however if there are any upcoming similar events in the future then we would appreciate if you could notify us and we will endeavour to attend.

## Contact Details

Your local community officers are PC 442 Mark Lowe and PC 189 Kirstie Haddow. Below is the local contact email address for your local community team.

This is not for reporting a crime but if you feel you require to contact your local community officer then the email address is the best way to do so.
